## COUNTY PRIMARY CAMPAIGN OPENED

### EMORY B. CAMP ASKS 2ND LEGISLATIVE TERM

Emory B. Camp of Rockdale, is a candidate for re-election to a second term as a member of the Legislature from the 64th District comprising Milam county, subject to the Democratic Primary election to be held on Saturday July 28.

In announcing his candidacy for re-election, Mr. Camp presents the following statement.

I submit to the people my candidacy for re-election as representative from Milam County. It has been a pleasure to serve you. I have conscientiously tried at all times to truly represent you. I may have made mistakes, if so, I can truthfully say they were mistakes of the head and not of the heart.

I am making the race this year on my record and on my old platform: "The way to lower taxes is to reduce expenses of the government. I will oppose any bill tending to increase taxes or governmental expenses and will seek to reduce them."

I lived up to my last campaign platform. The 43rd Legislature was the first in many years to reduce the expenses of our state government. The major appropriations for judicial, Eleemosynary, Departmental and Educational purposes, made by the 43rd Legislature were \$13,144,905.00 less than that of the preceding legislature, or a reduction of 28.67 per cent. The total appropriations made by the 43rd Legislature were \$10,742,827.00 below the total appropriations of the preceding Legislature of 20.06 per cent reduction in ALL state expenditures. No new tax burdens were levied on the people.

I call your attention to the fact that the savings to the taxpayers was not limited to state expenditures. The maximum fee bill for county officials passed by the 43rd Legislature will save thousands to the people of this state. I had the honor of being a member of the Conference Committee that wrote this bill, and by that committee I was appointed a sub-committee of one to write the bill, and that bill as I prepared it is now the law in Texas today, regulating the maximum fees of our County Officials.

Much has been said regarding finances in Texas. The 43rd Legislature provided funds enough for the per capita apportionment to be set at \$16.00, and today that fund is in better shape than it has been for several years. It has been estimated by the school authorities that this fund will be out of the red by the end of the present biennium. The rural aid appropriation of \$6,000,000.00 made by the 43rd Legislature was the largest in the history of the state.

My pledge to help reduce State expenditures and thus bring about a reduction in taxes I have kept. I voted for the reduction of all governmental expenses, beginning with my own salary and then for a reduction of all others.

If re-elected I again pledge myself to a continued sane reduction in state expenditures, to oppose the levying of additional tax burdens on the people, and to a reorganization in state departments to the end that our government may run more efficiently, and economically.

Respectfully,  
EMORY B. CAMP.

### CHAMBER OF COMMERCE TO NAME OFFICERS

The Commercial Club held a director's meeting Monday night at the district court room. Vice president Leland Green presided and appointed a committee to select prizes for the Milam County Meat Show to be held here Friday and Saturday March 23 and 24, which composed R. G. Grabein, L. Van Perkins and Leland Green.

The Club will accompany the Chamber of Commerce at Hearne to Austin March 26, at which time they will appear before the highway commissioners in the interest of Highway 69. Next Monday night there will be election of officers for the club at 7:00 p. m.

### MEAT SHOW SATURDAY

#### Meat Show In City Saturday March 24

The annual meat show for the Home Demonstration Clubs of Milam county under the direction of Miss Bertha Fae Strange, Home Demonstration Agent, will be held in Cameron Saturday March 24.

The show will be held in the Monroe building next to the emergency food distribution offices.

Roy Snyder, meat specialist and Miss Lola Blair, food specialist, will be the judges at the show.

Prize awards will be made by J. D. Baskin. Lunch will be served by the club members and the public is cordially invited to attend the show.

### T. H. HAYNIE LEAVES COACHING POST HERE

Coach Haynie for Yoe High school has tendered his resignation to the board to take effect in June at the expiration of the present term.

He will resume studies at the University of Texas. He has been a faculty member here for 6 years and taught economics, civics and junior business administration, in addition to directing athletics.

Mr. Haynie will leave Cameron early this summer to take up his university work.

### ADA HENDERSON SCHOOL WINS IN COUNTY MEET

Rural Schools—Bethlehem won the championship in this division with a total of 185 points—80 premium points, 99 won in literary events and 15 points won in Athletic events. Gay Hill won second place with 125 points, and Yarrelton was third with 110 points.

Ward Schools—Ada Henderson School of Cameron won the Championship in this division with 130 points. Rockdale was second with 90 points won.

Class B High Schools—Gause won the championship in this division with 67 points won. Thorndale was a close second with 60 points won and San Gabriel was third with 35 points won.

Class A High Schools—Rockdale won the championship in this division with 136 1-2 points won and Yoe High of Cameron was second with 95 points won.

S. C. Miles, Director Gen.

### Car Drivers Destroy Shrubs In Yards

Officers here were reported to be keeping a weather eye for car drivers who have been destroying shrubs in yards.

An automobile has been found, it was said, that had shrubs clinging to the chassis which led officers to believe it had been driven over a yard by the mischief makers.

Tire prints have also been checked. Complaints have been coming to officers about this latest outbreak of civilization.

### S. P. Railroad Will Sponsor Easter Egg Hunt Here

On Saturday March 31 at 3 p. m. the Southern Pacific Railroad will conduct an Easter egg hunt for Cameron children between the ages of 5 and 12 years in Wilson-Ledbetter Park.

The eggs will be deposited about 2 p. m. E. C. Cole, agent at Cameron announced that the hunt would begin at 3 p. m. The eggs will be deposited west of the dam now under construction and far removed from the lake site. In all about 2000 eggs will be deposited. Children between the ages indicated will be entertained and are urged to attend.

Mr. and Mrs. Roy Law attended the Tax Collectors Convention held at Fort Worth last week.

### Texas Deals Justice to Bandits

Irvin "Blackie" Thompson, sentenced to death for robbery.

Whitey Walker Roy Johnson

The State of Texas dealt summarily with three Oklahoma bandits last week, when Irvin "Blackie" Thompson, Whitey Walker and Roy Johnson were given 99 years each in the Huntsville penitentiary for robbery of a Bryan jewelry store, and Thompson was given a sentence of death in the electric chair when convicted of robbing the First State bank of Marlin of \$44,147.70 cash and \$15,000 in securities. Walker and Johnson are also charged in connection with this robbery. Charges of bank robbery also are pending against the trio in Cameron and Palestine. They are known as the "fishing bandits." Getting permission from Oklahoma penitentiary authorities to go fishing, they never returned and their Texas crimes resulted.

### J. P. LOVE RESIGNS AS FEDERAL ADMINISTRATOR

Rev. J. P. Love, Federal Administrator for Civil Works and Relief under the recovery administration, has tendered his resignation to the State Relief Board to become effective at once.

Rev. Love leaves the post on the advice of his physician, the work having taxed his strength to the danger point. His administration of the work has been notable. He first became linked with the relief efforts in 1932 and prior to that time was associated with charities and the Red Cross to such an extent that his years have been crowded with service to these programs.

The Board for the County will meet shortly to seek a successor to Mr. Love.

### Minerva Gas Finds Ready Market From Home Minded Buyers

Minerva Gasoline refined from Milam county crude oil at Minerva by the Minerva Refining Company, is finding a ready market among home minded buyers who appreciate local industry.

In this issue will be found an advertisement for Minerva Gas. Listed are a number of dealers. W. H. Fletcher, distributor through oversight left off four of the stations handling Minerva Gas. They are: R. P. Williams, Rockdale; L. M. Peoples, Milano; A. W. Esslinger, Cameron, and the Preston Armstrong Station, Cameron.

Mr. Fletcher says car owners are showing good appreciation for this growing home industry.

### MAURY HUGHES VISITS CAMERON WEDNESDAY

Maury Hughes, state Democratic Chairman, and candidate for Governor, was greeting friends in Cameron Wednesday, making his first official visit here in his campaign for Governor.

Mr. Hughes is visiting a number of counties while on his way to the state committee in Houston where he is to tender his resignation as state chairman to devote his time to his candidacy.

Democrats in Milam county will recall the valiant fight Mr. Hughes made in 1928 for Governor Smith for president and his campaign for repeal of the 18th amendment. He stands high with the Roosevelt administration and was director of the Recovery Act in Texas on its inception.

He has many friends in this county who will sponsor his candidacy.

### Tampico Cafe Gives Favorite Mexican Dishes to Patrons

You can now enjoy all the famous dishes of Old Mexico at the Tampico Cafe in Rosebud. A special invitation has been extended to Cameron friends to visit the Cafe and many have found its food and service a delightfully different experience.

Only experts can prepare this famous menu featuring chicken tamales, enchiladas, tacos and all Mexican dishes. The cafe management imports the highest quality ingredients.

The cafe featuring Mexican dishes has become very popular with parties and reservation dinners for Cameron people.

CADET J. E. LOUPOT

Pictured here are the king and queen of the third annual Cotton Ball, to be held at Texas A. and M. college April 6. Miss Staude, the queen, was selected by students of the Texas State College for Women, Denton, for the place of honor beside King Loupot, who was elected by the Agronomy society of Texas A. and M. Fifty pretty girls from various cities of Texas, garbed in cotton, will appear as members of the royal court.

MISS WILL ANNE STAUDE

### MRS. KATHRYN ROBBINS FOR CO. SUPERINTENDENT

Mrs. Kathryn Robbins, County Superintendent for Public Education, is a candidate for re-election subject to the Democratic Primary election to be held on Saturday July 28.

The announcement that she will be a candidate for re-election to this place, was made for publication here Wednesday and will be received with much interest in all sections of the county where Mrs. Robbins has worked for better educational advantages for the rural schools.

Possessing exceptional qualifications for this office, Mrs. Robbins has been able to give the rural schools the best possible progress and she has been untiring in her efforts to promote better education.

In the administration of this office, the superintendent must meet and solve many problems, chief among them is the struggle to keep rural educational advantages abreast of the times so that every school child will receive what the founders of the Republic intended they should have. In this work Mrs. Robbins has achieved a noteworthy success. Her every effort has been to serve education and to bring to the schools the very best in opportunities and equipment.

In making her announcement for re-election, Mrs. Robbins desires to express to her many friends her sincere appreciation.

(See ROBBINS on page 6)

### JUDGE JEFF T. KEMP FOR COUNTY JUDGE

Judge Jeff T. Kemp is a candidate for re-election to the office of County Judge for Milam County, subject to the Democratic Primary election to be held on Saturday July 28.

As a candidate for re-election to this important office, Judge Kemp is gratefully appreciative of the interest shown in his announcement and requests that his sincere thanks be extended to the hundreds of readers of The Herald all over the county. Judge is so well and favorably known to the people that no effort is required to acquaint the people with his residence and citizenship in the county.

As County Judge for Milam county he has given his efforts untiringly to the interests of the people and has gone far beyond all requirements fixed by the duties of the office to render service and to be of aid to the people. His many friends in the county will welcome the announcement that he is to be a candidate for re-election.

His record as County Judge has been outstanding and no county in Texas has had more efficient and economical administration of its affairs than has Milam county while he has been head of the county government.

Of especial significance is the fact that while in many counties warrants have been sold below the market price, securities of this county have, when necessary to issue have gone for a premium. The county government has been conducted on a cash basis with comfortable balances in all funds and the accounts of the county have been kept within the lowest minimum of expenditure so that to-day, despite the inroads of depression Milam county is in a position to meet its obligations.

### Easter Sale Cheeves Bros. Is Announced

An Easter Sale at Cheeves Brothers in Cameron has been announced this week. The big store has received large shipments of goods for the Easter season and the press of the city carries a message of economy and buying opportunities.

This Easter Sale should have a wide appeal to the people who are loyal to their city. All advertising in connection with the announcement purchased in Cameron from home industry. There will be no blaring of trumpets with scare lines on cheap bills that too often overemphasize the value of shoddy merchandise, but a dignified announcement of unbeatable values and bright new quality goods.

The big store, the store of loyalty

### Burke's Store Gets Big Reception When Opening Wednesday

Burke's 5c to \$1 Store opening in Cameron Wednesday morning at 10 o'clock was a crowded center for the day. Many people came in from outlying districts for the opening and Ray Burke, owner, said this morning that he was more than pleased over the opening crowds.

On Tuesday evening an informal opening was held with no sales except Easter candy. When the doors opened Wednesday a great number were on hand for the opening sale and the bargains for the day.

During the evening Tuesday Mr. Burke received a large number of floral gifts and congratulations on the opening.

His store is attractive, clean and new and his many friends are glad to know of his success.

### CAMERON SCHOOLS TO ENTER DISTRICT MEET

At the district meeting to be held in Bryan March 30 and 31 Cameron will have several entrants in the events.

The following Cameron students placed in the events in Rockdale: First places, Frank Newton in high school boys' declamation; Hilliard Thomas in high school boys extemporaneous speech; Margaret Fisher, (See SCHOOLS on page 6)

## For Lieutenant Governor

WALTER WOODUL.

HARRIS SENATOR  
ASKS ELECTION  
AS LT. GOVERNOR

Houston, Texas.—Senator Walter Woodul of Houston has formally announced his candidacy for the office of Lieutenant Governor, saying:

"I aspire to the honor of being Lieutenant Governor of this state. I was born in Texas and educated in her schools, including the University. I volunteered to serve in her National Guard on the border in 1915 and served in the world war. I have been privileged to represent the people of Texas in both houses of the legislature, and I believe I know the problems of the state.

"As the campaign progresses, I will discuss and give to the electorate my position on pertinent issues."

Senator Woodul has represented Harris County in the senate for the past six years and was unanimously elected president pro tempore at the last regular session. He was born in Laredo, Texas, and worked his way through the University of Texas. He led in the organization of Houston Community Chest, is active in the civic life of this city, and is one of the leading lawyers in this section of the state. Senator Woodul was elected state manager of the Garner-for-President forces in Texas and served in that capacity at the National Democratic Convention in Chicago.

Senator Woodul married Miss Ethel Eldridge of Sugar Land in 1917, and they have one son. He is a member of and active worker in the South End Christian Church of this city.

Bert Stewart and sister, Mary Joe Guthrie of Rockdale, are spending the week here with their great, great aunt, Miss Mollie Allen.

## ORDER OF ELECTION

BE IT RESOLVED by the City Council of the City of Cameron, Texas, that an election be held in said City of Cameron on the 3rd day of April, A. D. 1934, the same being the first Tuesday in said month for the purpose of electing the following officers, to-wit: Mayor, City Attorney, Assessor and Collector, Secretary and Treasurer, Marshal and two Aldermen for a term of two years from said date, and it is so ordered.

## MARLOW 4-H CLUB NEWS

On March 13 Marlow 4-H Club met with Miss Inez Lake as hostess. As our tomatoes were not large enough we did not have our demonstration as planned. After the business meeting with Miss Bertha Fae Strange in charge, we went to the school house where the members of the boys 4-H Club, under the direction of Miss Florene Mode and Miss McKinn Massey, had prepared the flower beds in front of the school house and the out houses for screen planting. The 4-H boys then went to the river with Miss Strange for shrubs and the girls got other plants near the school house. Almost the

entire day was devoted to transplanting these plants. We are happy to find in all 160 plants.

The next meeting will be at the school house.

America - here they are!

To fill the record-breaking nationwide demand, Chevrolets are being produced at a record-breaking rate of

4000  
units a day!

CHEVROLET factories are breaking records, trying to give America all the cars it wants. 4000 units a day are rolling off the assembly lines. February output was twice that of January. March output, according to present indications, will be three times that of January. More Chevrolets are now being produced than any other make of automobile in the world. And today, Chevrolet is happy to report that all its dealers will soon be in a position to make immediate deliveries.

When you consider how short a time the new Chevrolet has been in production—when you consider, also, that the 1934 car is *not* last year's model improved, but a basically new automobile, with sweeping changes in design—this production record becomes somewhat of an accomplishment. But, a still greater accomplishment, in our opinion, is the way that these cars have all been produced!

Despite continued nationwide pressure for more and more volume, every car that has left the factories has been built and tested to meet Chevrolet's highest standards of care, precision and quality. The result: When you place your order for a new Chevrolet, you'll not only get a big, rugged "Knee-Action" car—you're also assured of getting a typical Chevrolet car in economy, dependability and long life.

## Health Class Writes About Fresh Air and Cleanliness

### AIR AND HEALTH

The kind of air that we need is fresh air for it is healthy for us. And we must breathe through our nose for that is what it is for. We must breathe to live. We must breathe very often to let the old air out for it is not good for us. Air is good for muscles for it makes them strong. We must have exercise in the fresh air. The way to keep our lungs clean is by breathing fresh air very often. If we do all of these things, we will be healthy.

—Martin Hearne, Jr.

### AIR AND HEALTH

Once there was a little girl whose name was Mary. Her teacher had been watching her work and play. She had seen that the child did not do her work well—she did not like to play with the other children. One day the teacher asked her what was wrong. She answered: "I don't know. I guess I just don't feel well." The next day the teacher went to see Mary's mother. The teacher asked her mother what was wrong with Mary. Her mother did not know. "Does she sleep with her windows open?"

the teacher asked. Her mother said she was afraid she would take cold. The teacher told her that she would not take a cold, but it would help her not to get a cold. The teacher told Mary's mother to let her sleep with her window open, and tell her to breathe deep. So Mary began leaving her windows open and breathing deep. Soon Mary's cheeks became rosy. Mary's mother wrote a letter to the teacher. This is what she wrote: "Dear Miss Worley: I thank you so much for telling me to leave Mary's windows open. She is well and when she comes to school Monday she will be very happy. With love, Mary's Mother."

—Earline Rankin.

### AIR AND HEALTH

We all need air. If it was not for air we could not live. The air we need must be fresh air. We breathe air day and night. At night we should sleep with our windows open if we want to be healthy and happy.

There are two kinds of air. These two kinds are: carbon dioxide and oxygen. We breathe oxygen in and when we breathe it out it is carbon dioxide. The flowers change it into oxygen. Then we breathe it again.

We should take exercise in the fresh air. Exercise is very good for us. It is not so good unless we exercise in the fresh air. By exercising we get strong bones and muscles. The fresh air gives us strong muscles. We should exercise the muscles by breathing. The best way to breathe is to breathe deep, long breaths. In doing this we should be able to expand our chest according to your age and development.

—Wayland Kidd.

### AIR AND HEALTH

Bobby and Bettye were playing out in the fresh air. "This is the kind of air we need," said Bobby. "Yes," replied Bettye, "We must breathe it deep into our lungs."

"Why do we breathe?" inquired Bobby.

"Because, if we did not breathe we would die," replied Bettye.

Bobby looked puzzled. Bobby said: "Breathe fresh air to be healthy. That is the old saying."

Just then they heard mother calling. She replied, "It is time to take our daily deep breathing." Bobby said: "There's mother calling us."

They ran into the house. Mother was waiting for them. They took deep breaths and deep breaths. They soon grew tired. After that they had their health hour. They studied about all they had said in the yard. They told their mother new ideas.

—Doris Newton.

The largest number of Future Farmers ever to attend the Stock Show were present on this gala occasion. These boys are all members of vocational agricultural classes in various Texas high schools.

dirty factories cannot get enough of the right kind of air. Air is just as important as good food. If we did not have fresh air, we would die. A person can not live long without air. Fresh air prevents sickness. If we keep our windows open every night, we will be healthy boys and girls. We breathe with our lungs. A healthy person can put their hands on their waist and feel it go in and out. We should breathe at least twenty times a minute. We breathe in healthy, fresh air and it goes all over our body. It helps to make strong muscles and bones. If we take deep breaths often we will have strong healthy lungs. If we don't we will have weak, poor, bad lungs.

## Where Ax Brought Death to Dallas Girl

Bits of skull and human hair found in a pool of blood on the bridge shown at the right of this picture resulted in the dragging of the little stream by Dallas firemen and the recovery of the body of Allie G. Kidd, 23, Dallas girl. The head was badly mutilated by a hatchet or an ax. Firemen are shown dragging the stream in search of the body. No charges have been filed in the case.

## Whitey Walker Now Bad Man Once Thrashed By Mayor Camp Rockdale

An interesting angle to the celebrated "Whitey" Walker case came to light here Tuesday when Mayor E. A. Camp confided to friends that he once had a fight with Walker—and licked him.

"I was about 17 years old," Camp said, "and was teaching school at a little country school house up in the Davilla country. Whitey Walker was one of my pupils, and he proved rather ostreperous and caused me no little trouble.

"I found," Camp continued, "that Whitey and some other big boys were doing a little crap shooting out in the thickest back of the school house, and setting a bad example to the entire school, and I determined to stop it. I served notice on the boys that if I caught them gambling again I would use the hickory on them. It was not long until the opportunity presented itself and I caught the gang shooting craps again. I corraled the whole bunch and with a supply of switches proceeded to take them to a cleaning.

"Whitey Walker was the last on the list and when I tackled him I found that he was just as big and strong as I was, and he would grab

the switch and break it. The last switch was the biggest, and when he broke that one I struck him across the face with the but end of it. He then grappled with me. I tripped over a bench and fell under my desk. As I fell my hand came in contact with a piece of two-by-four timber that had come loose from the desk, and I came up swinging. I caught Whitey on the side of the head with that timber, knocked him down, and that ended the battle, and he submitted to a good old fashioned switching."

Walker is under a 99-year sentence in Oklahoma, escaped from that state, and it is alleged has figured in a number of criminal activities in Texas during the past year or so. At Bryan only last week he was tried for robbing a jewelry store and given another 99-year sentence, together with "Blackie" Thompson and R. A. Johnson. The trio is on trial at Marlin this week, charged with hijacking the First State Bank of that city last December, at which time robbers secured \$41,000.—Rockdale Reporter.

## WHAT A.T.&T. means to your telephone service

The men and women who furnish your telephone service here could not do their job so well without the help of American Telephone and Telegraph Company, parent organization of the Bell System.

If a better way of doing a job gives better telephone service on the Pacific Coast, it may work equally well in the cities and towns of this state.

Staff experts of American Telephone and Telegraph Company, parent company of the Bell System, search constantly for these economies and improvements... test them... study them. The perfected result is offered to aid the 24 Bell operating companies... of which the Southwestern Company is one... give a nation-wide telephone service, uniformly good, at a fair price.

This is a fundamental policy of the Bell System. It is based upon the belief that what is best for the telephone user is in the end the policy that will bring us the surer, more enduring measure of success.

## Kemp

(Continued from page 1)

is able to conduct its business along lines of the best approved standards. Responsibility for this splendid condition may be traced in a large measure to the business ability of Judge Kemp and his knowledge of affairs and friendly co-operation with the Commissioners' Court and the people.

Judge Kemp takes especial pride in the growth and development of Home Demonstration work in the county, first instituted under his administration several years ago. The 4-H Clubs and the work in all departments of the Home Demonstration work has had his constant support and co-operation. He also has been a friend to farmers and has lent his encouragement at all times to the work of the County Agent. An outstanding service has been rendered Confederate Veterans and their widows in pension matters. Good roads and every phase of county-wide activity has had his untiring support.

The duties of the County Judge involve many phases of official responsibility. He must be judge of the Criminal Court, Civil Court, Probate Court, Chairman of the Commissioners' Court and many others. Judge Kemp has performed all these duties well. While a county judge is not required to be a lawyer, he must read and interpret law and make decisions to stand court tests. Judge Kemp has made an enviable record in all departments of the office.

He has been a diplomat and ambassador of good will at home and abroad and has worked untiringly for the best interests of the people, being a friend and champion of rural education and of all activities for the welfare of rural dwellers.

Judge Kemp asks his friends to lend their support to his candidacy. He will make an active campaign and will see and talk with the voters during the coming weeks. He assures each one that anything they may do to help him will be greatly appreciated.

## Temple No Longer a Town; Gets Beer and Ranks With Waco

Bell county voted to legalize the sale of beer on last Saturday.

The appeal of Temple wets that voters refuse to "make a city out of Waco and a town out of Temple," has been heeded. Latest tabulations show the county voted wet by 464 votes.

Belton and Killeen returned large majorities dry and the vote was generally close.

## Robbins

(Continued from page 1)

cere appreciation for their offer of support and she thanks all the school authorities in the county for their co-operation in bettering educational conditions. She asks the support of the people in her race for re-election and pledges in advance the same unselfish devotion to the duties of the office and the rural school children of the county.

For a number of terms she served on the Texas Text Book Commission, her ability being thus recognized by the state. As county superintendent she was closely associated with the work of the Milam County Board of Education and the late, lamented President, W. A. Morrison, whose appointment to the state board by the governor, was approved throughout Texas. In this way and other ways Mrs. Robbins knows in detail the needs of the schools of the county. To bring to the schools their just proportion of advantage and to improve and to bring within reach of all education, has been her most cherished ambition and her friends point with pride to her record in this office.

Her qualifications touch all phases of educational work. Her experiences from the school room to a leader in affairs have given her a grasp of school needs true of few who have been called to the service of the people in places of this peculiar responsibility.

Mrs. Robbins is most appreciative of the friendships and the support she has been assured in this race. She plans to make an active campaign and will welcome an opportunity to talk with the voters during the campaign, and she takes this method, at this time, of asking their vote and support.

## LIEUT. GOVERNOR AND LEGION HEAD SPEAK

Lieutenant Governor Witt delivered an address to the Business Women Tuesday night on the occasion of their Publicity Program held in the Club Rooms.

Governor Witt, by invitation of Miss Delphya Scott, chairman for the meeting took part on the program. No mention was made of his candidacy for governor. He formerly served as State Senator from this district and has many friends in Cameron.

State Commander of the American Legion, L. Van Perkins, brought a discussion of soldier problems and outlined the program of the Legion in state and nation.

Miss Ann Stallworth, president, called the club meeting to order and presented Miss Scott, chairman of the program.

Miss Arnett Ryan played two piano solos.

Commander Perkins was the first speaker of the evening. He talked about Legion activities, what the organization stands for and what it seeks to accomplish for veterans. He touched upon the interests of ex-service men all over the world and told of the interest the state department is now showing in Child Welfare work.

Governor Witt brought a forceful talk on Publicity in its different applications and benefits. He devoted some time to a discussion of economical and social conditions, advancing the machine age as responsible for the present unemployment situation.

Mrs. J. B. White was hostess for the meeting. At the conclusion of the speaking program guests and club members were directed to the large dining room where tables were laid with Easter decorations. Mrs. White served a salad plate consisting of sandwiches in club colors, green and gold, with pineapple salad, cheese wafers, olives, dressed eggs and coffee. Pink ice cream and caramel cake was a supplementary dessert course. Novelty cups held candy and nuts. In the faultless serving of the well appointed courses, the hostess was assisted by Mrs. Sam Hefley, Miss Caroline Porter and Gus Evans Jr. Handsome glassware and silver from the Hefley home lent charm to the colorful repast.

In addition to the speakers, guests other than club members were Mrs. L. Van Perkins, Mrs. Willie Weaver of Fort Worth, Mrs. Legacy of Croix de Lane, Idaho, and Dr. James Ferguson, uncle of Governor Witt.

Woodmen Circle; Laura Krebs of Austin, a member of the national legislative; Bess Dolan, Taylor, national representative; Mrs. Lena Alexander Shugart, Garland, a national representative; Mrs. Ella D. Patterson, Houston, national representative; also Mrs. Hazel Goodlove of Houston, a district manager; Lee Simmons, superintendent of the prison farm at Huntsville, are scheduled to be in the district meeting here.

Judge W. G. Gillis of Cameron will give the welcome address. Miss Bessie Dolan of Taylor, the response.

Mrs. Davidson and Mrs. Willard will have charge of the initiation, and they will also give talks for the good of the societies. All Groves in Milam county are invited, Somerville Grove, Marlin Grove No. 6 and 954, Calvert and Temple, also.

A luncheon will be given in the Methodist dining room at 12 o'clock.

## Car Owner Here Loses Tire; Thanks Thief For Leaving Lugs

Here is one for Ripley. "Believe it or Not," a Cameron car owner has written a card of thanks to the thief who took his best tire and wheel, basing his wholesome attitude on an unusual assimilation of the punishment.

I wish to thank the gentleman who borrowed a hind wheel and casing off my old "rattle-trap" Saturday night for their kindness in placing the lug nuts in a convenient place on the running board. Although inconvenient to raise hub from the ground to put on spare wheel, I do not blame them for not taking time to prop up the axle, as a cold norther had blown up. When the party is through with the borrowed articles and return them, as all good borrowers do, it will not be expected of them to put them back on the hub. Just throw them in the garage, for I wont mind in the least replacing them. I believe they will get fairly good service from the borrowed parts, for even though in the dark, they were successful in getting the only casing that I was not afraid would blow out. Nothing is too good for a friend. When the party is through with the parts and if it is convenient to bring them back I shall be very grateful. If they have some surplus current license plates would appreciate them leaving them, as I may not be able to buy them.

Bob Browning.

Mr. and Mrs. Jack Owings, Jr. are the proud parents of a fine son, whom they call Jack the III.

Mrs. Robert Browning returned from a week's visit with her mother, Mrs. Laura Cashion, and sister, Mrs. J. R. Sloan, of near Tyler.

Joe Bass is in Mineral Wells attending the annual convention of the Odd Fellows of Texas. He left Cameron Sunday and will return to his home Thursday of this week.

## Take a Pinch of BLACK-DRAUGHT For Distress After Meals

He had suffered distress after meals, but by taking Theodor's Black-Draught he was relieved of this trouble, writes Mr. Jess Higgins, of Dawsonville, Ga.

"I had sour stomach and gas," Mr. Higgins explains, "and often I would have bilious spells. I read about Theodor's Black-Draught and began to take it. It relieved me of this trouble. I keep it all the time now. I consider it a fine medicine. I take a pinch of Black-Draught after meals when I need it. It helps to prevent sick headache and to keep the system in good order."

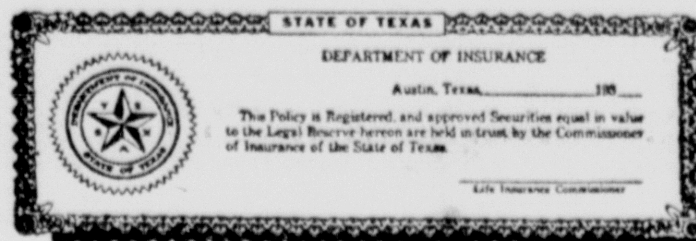

Now you can get Black-Draught in the form of a SYRUP, for children.

## Evangelistic Party Accepts Pastorate

The Gardner Evangelistic party, consisting of Rev. H. G. Gardner, his son-in-law and daughter, John and Nasuis Pecorino, have accepted the pastorate of the Cameron Gospel Tabernacle in this city.

Rev. Gardner has conducted two revivals here, one last spring and one in the fall, his son-in-law and daughter being with him in the fall meeting.

Rev. Gardner was formerly a minister in the Methodist church. The Pecoronis are song leaders and musicians. They play several musical instruments.

The party is now conducting a revival in the Tabernacle, in which many are being saved, healed and filled with the Holy Ghost, fine congregations being present. The people of Cameron are invited to attend the the services at the Tabernacle.

## Find "Moses"

Senora Salvador Rivas of El Paso is pictured above holding a two-weeks-old Mexican baby found by a neighbor on the bank of an irrigation canal near their homes. Senora Rivas will probably keep the child, and has named him "Moses," seeing the similarity of his plight to that of the Biblical character found in the bullrushes. El Paso officers say the child was deserted by his mother, who was probably unable to care for him.

## Use This Laxative made from plants

THEDFORD'S BLACK-DRAUGHT is made from plants that come up from seeds and grow in the ground, like the garden vegetables you eat at every meal. NATURE has put into these plants an active medicine that stimulates the bowels to act — just as Nature put the materials that sustain your body into the vegetable foods you eat.

In Black-Draught you have a natural laxative, free from synthetic drugs. Its proper use does not make you have to depend on cathartic chemical drugs to get the bowels to act daily.

Find out by trying Black-Draught what a good medicine it is for constipation troubles. In 25¢ pkgs. (dry). P.S. — For Children, get the new, pleasant tasting SYRUP of Theodor's Black-Draught. 25¢ & 50¢ bottles.

## Four Convicted in Half Million Bond Theft

U. S. Marshall Guy McNamara of Waco, (center) is pictured with two of the four men who were convicted and sentenced to the Federal penitentiary at El Reno, Oklahoma, in connection with the \$546,000 stolen bond case at San Antonio. Z. D. Bonner, former president of the Commercial National bank of San Antonio, is at the left and John H. Cunningham, San Antonio attorney, at right. Cunningham, Bonner and J. B. Morrow of Chicago were sentenced to eight years in the penitentiary and each fined \$10,000. Harry Royster, Tulsa playboy who turned government witness, was given only three years and fined \$5,000. Gangdom has threatened Royster with reprisal.

Mr. and Mrs. T. S. Henderson are expecting their daughters, Mrs. Hamilton Bonnett and two small children of Evanstown, Illinois, and Mrs. Ernest Beard and children of Hillsboro within a short time. They will spend some time here and their many friends will be delighted to welcome their return to Cameron, where they were reared.

The Milano District meet was held at Milano school Friday of last week and was very successful. Hanover scored the most points in the meet. Ribbons were awarded the winners. Literary events were held in the morning followed by track and baseball activities in the afternoon. The Milano Parent Teachers Association served lunch.

## Cameron Colored Winner League Meet in County

Milam County Meet of the colored schools which was held in Cameron Friday and Saturday was one of the largest from point of attendance ever held during the entire history of the meet.

The quality of work as compared with that of past years, showed quite an improvement. This was indicated by the splendid showings made in the several events. For example, there were several perfect scores made in the spelling contest, both Junior and Senior divisions. At the end of the twenty minute period five Sub-Junior spellers were still on the floor who had not missed a word. These children were under ten years of age.

The highest score in arithmetic contest for a fifteen period was 230 per cent. Similar showings were made throughout the various events.

Industrial exhibits were stressed in this meet and as a result both Class C and Class B schools displayed a very fine exhibit.

Cameron school won the Class B meet by a large margin. All field and track events, except three seconds, both domestic science and domestic art and five places in the literary events.

Rockdale school took three first places in literary events and three seconds in athletics. Among the class C schools, Minerva ranked first in field and track with a score of 40 points. Branchville ran second with 33 points. Hanover won third place with a score of 27 points. Milano school led the Class C group in literary events. Other schools scoring first places were Prospect, Minerva, Branchville, Buckholts and Caddo. Class C industrial exhibits was won by Pleasant Grove school Jones Prairie, with second place going to Briary and third place to Buckholts.

A new event of the county meet is tennis. Cameron won both singles and doubles in Class B by default; Minerva won class C by default.

Mrs. R. L. West, of Huntsville, Ala., writes: "I was weak and run-down. I had a pain in my side, and I kept losing weight. I grew nervous over my condition—this was unusual for me, for I am very cheerful when I am well and don't easily get nervous. I knew I ought to take something. My aunt told me I ought to try Cardui, which I did. I began to feel better. I kept it up until I had taken three or four bottles. My side quit hurting and I was soon feeling strong and well."

Cardui is sold at drug stores here.

## NOTICE OF ELECTION

STATE OF TEXAS.  
COUNTY OF MILAM,  
CITY OF CAMERON.

On this the 27th day of February, A. D. 1934, the City Council of the City of Cameron, convened at a special session, and the following members were present, to-wit: Charles C. Smith, Mayor, and aldermen J. F. Brown, Fred Jackson, B. Slocumb and J. D. Bass. The Mayor stated the purpose of the called meeting, and thereafter the following proceedings were had:

It was moved by Alderman Fred Jackson and seconded by Alderman B. Slocumb that there be submitted to the qualified voters of said City who are property tax payers therein the proposition for the issuance of bonds of the City of Cameron in a sum not exceeding \$29,500.00 for the purpose of constructing a sewer extension, the election to be held on the 3rd day of April, A. D. 1934, and the motion carried by the following votes: Aldermen J. F. Brown, Fred Jackson, B. Slocumb and J. D. Bass voted aye, and no vote in the negative was cast. Thereupon the following election order was adopted:

Whereas, the City Council of the City of Cameron, Texas, has entered into a loan agreement with the United States of America by the terms of which the Government will purchase sewer extension Bonds of the City of Cameron, Texas, in the principal sum not to exceed \$29,500.00 at a rate of interest not to exceed 4% per annum, said sum to be paid in bonds serially, the first on March 1st, 1935 and the last March 1st, 1961; and,

Whereas, Joe Rady has been selected by the Council and confirmed by the Government as engineer for this project, and all plans and specifications have been by him prepared. THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CAMERON, TEXAS:

That an election be held on the 3rd day of April, A. D. 1934, at which election a proposition will be

submitted substantially as follows:

Shall the City Council of the City of Cameron, Texas, be authorized to issue bonds of the City of Cameron in a sum not exceeding \$29,500.00, payable serially from March 1st, 1935 to March 1st, 1961, inc., interest payable semi-annually at a rate not to exceed 4% per annum, and the revenue derived from the sewer systems, together with the contemplated extensions shall be used solely for the purpose of paying of said bonds and interest thereon, and a lien to be given to the Government, pledging payment of said indebtedness, and no interest or principal shall be paid from any other source.

Said election shall be held at the courthouse in the City of Cameron, Texas, and the following named person is hereby appointed manager of said election: A. E. Matula, and only qualified voters who are property tax payers of said city shall be allowed to vote.

All voters who favor the proposition to issue the bonds shall have written or printed upon their ballot the words:

**J. K. FREEMAN**

## ROCKDALE PUBLISHER HEADS CODE BODY

John E. Cooke, editor of The Rockdale Reporter, has been named chairman of an administrative committee, set up under the auspices of the Texas Press Association, to administer the NRA CODE as applied to the printer-publisher branch of the Graphic Arts Industries in Texas. Other members of the committee are E. A. Carlock, of Paducah; and Charles Devall, of Mount Vernon.

This action was taken at Dallas Sunday at a meeting of the executives of the Texas Press Association,

lots the words:

"For the issuance of Bonds."

And those opposed shall have written or printed upon their ballots, the words:

"Against the issuance of Bonds."

The manner of holding the election shall be governed by the laws of the State of Texas, regulating general elections.

A copy of this order signed by Mayor of the City of Cameron, attested by the City Secretary of said City, shall serve as a proper notice of said election, and the Mayor is authorized and directed to cause said notices of election to be posted up at three public places in said City of Cameron, Texas, for at least thirty (30) days prior to the date of said election, and shall cause a copy of said notice of election to be published in a newspaper published in the City of Cameron once each week prior to the date of said election, the date of the first publication being not less than thirty (30) days prior to the date of election.

CHAS. C. SMITH,

Mayor, City of Cameron, Texas.

Attest:

J. C. JOSEPH

Secretary, City of Cameron, Texas.

## Texas Opera

Theophilus Fitz, below, has composed an opera, "Texas," in preparation for the Texas Centennial in 1936, and Miss Elizabeth Torrans, above, has been selected to sing the part of Nancy Lee, feminine lead, when the opera is presented at the annual convention of the East Texas Chamber of Commerce in Texarkana, April 22, 23 and 24. Both Fitz and Miss Torrans live in Texarkana. "Texas" is the Indian word for "Texan."

which body has been designated as Texas zone administrative agency. The national code authority to which the TPA is responsible is the National Editorial Association, which will have supervision over Divisions Nos. A-2 and A-5 of the Graphic Arts Code. Approximately 700 publishing plants in Texas, issuing weekly, semi-weekly and small daily papers, as well as conducting job printing es-

tablishments, will come under the supervision of the administrative committee of which Mr. Cooke is chairman.

At the meeting in Dallas Sunday, following the routine setup adopted by the national code authority, by-laws were adopted for governing the administration of the code. Dallas was designated as state code headquarters, and the committee authorized to employ a code administrator, who will open an office in Dallas and promulgate the details of the code as applied to the plants coming under his jurisdiction. The committee further adopted the Porte Printing

Catalog as a standard price determining factor for all small publishing plants in lieu of a complicated and extensive cost-finding system.

Ratification of the action taken Sunday by the national code authority is expected within the next few days when the committee of which Mr. Cooke is chairman will assemble in Dallas for several days to assist the administrator in the work of opening his office and establishing the necessary contacts.

The name of the administrator has not yet been made public, but it is understood that a prominent newspaper man of northwest Texas has been selected.—Rockdale Reporter.

# TEXAS

During a single century, beginning with a handful of American colonists led by Stephen F. Austin, Texas has grown to a State with nearly six million people . . . fifth in population ranking among all the States.

The Austin colonists were adventurous toilers. They worked to extend American civilization. They were pioneers, sowing the seed for a race of workers. Their inbred love for achievement laid the foundation for the Texas of today, which is truly a monument to tremendous accomplishment.

The heroism of the pioneers has colored each year of this century of Texas history. Each generation has produced its quota of big-minded Texans whose vision and courage have led the people on to pioneer in the development of new resources . . . constantly seeking new and better ways of earning, living and serving.

Texas is the leader of the Southwestern empire . . . the heart of the Southwestern market with its more than twelve million people having more than six billion dollars of annual buying power. Texas has forged into, and holds, this position by dint of the unstinting devotion of Texans.

More than twenty-one years ago the Texas Power & Light Company brought transmission line electric power to aid in the development of the natural resources of Texas. The use of transmission line electric service has increased the efficiency of the builders of Texas commerce and industry a thousand-fold. The limits of Texas opportunities have been extended. Dormant resources previously beyond the reach of man's hands have been harnessed by the use of this electric power and now serve as sources of new wealth. This company still operates with the spirit, vigor and courage of Texas pioneers, recognizing no toil as too great so long as it is exerted for the expansion of opportunities for Texas.

### Leo Werner, Cameron Business Man, Married In Granger March 11th To Miss Mary Balch

The marriage of Leo Werner of Cameron and Miss Mary Balch of Temple was solemnized at the home of a relative of the bride's in Granger on Sunday, March 11th at 6:30 p. m.

The impressive ring ceremony was given by a pastor, a close friend of Mrs. Werner's family.

Mrs. Werner is the daughter of Mrs. Mary Balch of Temple, where she was reared and received her school training. She was attractively dressed in a navy blue traveling suit with accessories to match. Mrs. Werner was recipient of a number of delightful courtesies prior to her wedding.

The bridegroom is the son of Mrs. Frank Werner of Cameron, and was reared in Cameron, is an excellent young man and is the junior member of the firm of Werner Bros., a leading grocery store here.

Immediately after the ceremony they came to Cameron and are keeping house in one of the Sapp houses in the northern part of town.

The Herald extends its best wishes for a happy and prosperous married life.

### Officer Freed On Shooting Charge; Wounded Is Held

Leroy Johnson, special ranger and berrilion expert in the office of Leonard Blaylock, sheriff, against whom charges of assault with intent to murder were filed following a shooting at Skeezix store in late January, will not be indicted. The Grand Jury made no report in the case.

Merle Cawthon who was shot twice and who lay desperately wounded for days in a local hospital, was indicted by the Grand Jury for carrying a pistol. His case has been set for trial in early April in County Court.

The shooting occurred when Cawthon resisted the officers. Johnson and Deputy Vaughn were called to the store, where they found Cawthon with a pistol and knife holding the occupants at bay. He was disarmed at the point of guns. An attempt was made to place him in an automobile and take him to the county jail. He resisted and was shot.

### Don't Get Up Nights

USE BUCHU AND GIN  
Make This 25c Test

It is as valuable to the bladder as castor oil to the bowels. Flushes out impurities and excess acids which cause the irritation resulting in getting up nights, burning, frequent desire, leg pains and backache. On account of the alcohol in gin use juniper oil from which gin is made. Ask for Bukets, the bladder laxative also containing buchu leaves, etc. After four days, if not pleased your druggist will return your 25c. You are bound to sleep better after this flushing. Guaranteed by New Cameron Drug Company.

## Shrub Plantings In County Under Way

Many new plants and shrubs have been set out and have begun to put on spring growth. After frost or cold injuries it is best to cut plants back as soon as the extent of injury can be determined. Otherwise the sap oozes in some plants (as in the case of the sweet potato or the elm) and causes the death of the plant. Heat hastens this souring; that is the reason that after cold injuries, plants should be protected from the sunshine if possible. Not all plants are affected this way, but since it is not known definitely what plants the affected, it is best to prune. The only disadvantage to pruning that one may prune off more than the injured part of the plant and lose some growth.

When to fertilize shrub beds seems to be a question asked by many gardeners. Fertilizer should not be put directly around the roots of the plants, as this strong food material ordinarily dries out the roots of the plant and the leaves turn yellow and appear burned. Fertilizer may be added to the top of the bed, as mulch, being sure that it does not touch the stem of the plant.

### CARD OF THANKS

We wish to thank any and everyone for kindness shown and help given when we lost our little son a few days ago. Also thanks are extended for the many lovely flowers. Mr. and Mrs. Obe Hess and children.

### LINEN SHOWER
